Eco Sailing Trimaran 86 (2026)

Chantier de l`Arsenal 停泊于 法国

**评论: THE SAILING RESORT** is a 86' **trimaran** designed for a very intensive **charter program**.
She offers high-end hotel services comparable to a 45 meters motoryacht and can accommodate 12 to 18 guests in 6 VIP cabins ; she has a dedicated crew quarter in the central hull.
THE SAILING RESORT has also hybrid propulsion to allow the guests to discover protected natural areas, where the others yachts can't access.

**Commercial vessel,**
**6 fairly large VIP cabins (of 12 sqm)** with ensuite bathrooms, and additional pullman (up to 18 passengers),
**Equivalence of 4* hotels service and quality,**
**Separate crew quarters with crew mess,**
**Large private open spaces inside and outside,**
**Modern and experienced construction method,**
**Eco-friendly propulsion,**
**High profitability on charter activity.**

A 26 meters trimaran was the only solution to provide all of the above and more.
Keeping the three hulls wet at all time allow exceptional stability and comfort and to go in thin waters.
6 spacious guests cabins, unique in size for a **multihull**.
Separate crew cabins and a crew mess will keep crew and guests happy and private.
Galley down, in the central hull, for professional cooking and quietness on board.
Extra space in the central hull for technical equipments and storage.
Large engine rooms away from accommodations to keep the boat easy maintained and peaceful.
Very large cockpit and flybridge for socializing and sunning.
Large garage for 2 tenders and water toys ; all water activities onboard.

THE SAILING RESORT is destined for charters and/or fractional ownership.
Her configuration allows a demanding shipowner to navigate comfortably and safely in all sea conditions.
Her moderate displacement, thanks to a proven construction process, also allows a reduction of efforts and equipment costs.
In addition, the construction method allows for very moderate production costs, and offers the investor an unprecedented return on investment with charter business.
The trimaran also offers important exterior and interior surfaces, and will offer his passengers an unique comfort in navigation and at anchor, offering volumes comparable to a 50% larger ship.
