Comments: Go fast, go far ... with pleasure

If you're looking for a catamaran for sale under 50ft, then Class 4 is a wonderful platform for anyone looking for a fast and easy-to-sail catamaran (short handed). It is able to achieve 250miles per day in comfort.

Class 4 is a fast yacht with a light displacement of 6.500kg due to the quality of workmanship and top material/brands used. She will definitely shine in any race, with a slim hull to guarantee exceptional upwind capability. Such performance is key for security and sea motion during long passages.

WINDWARD ISLANDS provides you with the opportunity to own a luxury catamaran without the expenses and challenges of traditional ownership.

WINDWARD ISLANDS has partened with a major management company to create tailored charter management programs. These programs include pre-approved financing, guaranteed monthly payments or performance based income. In addition, you may be eligible for substantial tax benefits.

TAKE TO THE SEA..... LEAVE THE PROBLEMS BEHIND!
