评论: Launched in April 2011, this Sunreef 70 is the fifth unit of this yacht model and an ideal charter yacht for families as 10 guests can be comfortably accommodated in 5 cabins, with added space to sleep an additional 2 children.

3 crew members operate the boat since launching and dispose of 2 separated crew cabins.

Like all Sunreef yachts, she has exceptional living space inside and outside including shaded cockpit, sunny flybridge and all the bow section with nets.

Combining elements that are both classic and modern, her interior finished in Finnish birch and exotic wenge, possesses a world of features to be admired. Built on contrasts, her harmonious light and dark wood interior is complemented by creamy, soft upholstery. The salon featuring a HD TV, DVD's, and a Wii station provides limitless entertainment options.

For relaxation, her spacious deck and massive full-beam flybridge with solarium invites her guests to lounge in the sun or shade.

Many options are provided for those that desire outdoor water activities, including a semi-rigid tender with 90 HP, a sailing dinghy, kayaks, adult and child water skis, a wakeboard, and snorkeling equipment.

Catamaran in very good general condition, full options, with many equipments replaced by new in the last 3 years. For sale at an attractive price to allow its new owner to carry out a technical and cosmetic partial refit to put the boat in a condition close to new.
