评论: Owner version 3 cabins or Charter version 4 cabins available.
Engines : 2 x 45 to 2 x 57 HP,
Number of berths : 6 to 12 (with single berths in forepeaks & convertible salon).

The **Lagoon 46** has an unparalleled interior volume for a 46 feet catamaran.
This new model offers 40 m ² of living space in the hulls, with major innovation the size of her outstanding forward cabins identical as the aft cabins !

The 46 ' s centred rigging comes directly from VPLP design ' s research and its more than 30 years ' experience at the peak of multihull ocean racing.
Better performance:
- Bringing the mast further aft reduces the length of the boom, increases the mainsail aspect ratio and thus its efficiency.
- The foretriangle incorporates a jib for sailing to windward as well as several downwind sails.
- Centring the masses limits pitching and eases the boat ' s motion.

Easier:
- The reduced size of the boom facilitates handling.
- The large jib sail is self-tacking, so there is no need to touch anything when taking!
