Number of berths : 6 to 14 (with single berths in forepeaks).

A strong identity and numerous modulable relaxation areas characterize the **Lagoon 50**.

The Lagoon 50 ’ s rig stepped further aft offers nothing but advantages for family cruising:
- Simpler: thanks to the self-tacking jib and the shorter boom, maneuvers become child ’ s play.
- More efficient: the high aspect ratio of the mainsail and the greater choice of headsails for downwind sailing maximises performance for the cruising sailor ’ s preferred points of sail.
- Gentler: moving the mast toward the centre of the boat limits pitching, which is uncomfortable and detrimental to performance.
