评论: Beneteau First Yacht 53 - Owner version 3 double cabins, 3 bathrooms (+ 1 crew cabin/bathroom)

Discover this fast luxurious cruising sailing boat combining high performance, classic and modern lines with both spacious exterior and interior layouts. The First Yacht 53 has been designed to ensure safety, comfort, speed and relaxation for all guests and crew members on board when cruising and mooring. Indeed, the exterior with its 5 meters beam aft and low coachroof firstly gives a racing look and a better aerodynamism; and it provides also easy access to side decks in addition to easy manoeuvring from the two helm stations.

Interior's design done by Lorenzo Argento allow a tailor made configuration with 3 double cabins with 2 (or 3) private bathrooms depending on customer's preferences. Bright, well-ventilated with minimalist decor and moulded wood makes the accomodation mordern and elegant. Beneteau has worked hard to make the exterior as enjoyable as the interior to make your lifestyle on board unforgetable despsite the weather conditions.
