评论: IPHARRA, a luxury **Sunreef 102**, built in 2009, with 5 staterooms accommodating up to 12 guests. Ipharra is one of the largest cruising catamarans of the world. She is also the first sailing catamaran in the world from a Double Deck line, and the third biggest sloop rigged catamaran. This super yacht catamaran is built with in aluminium hull and with her 42ft beam, offers guest unrivaled space and comfort and can accommodate up to twelve guests in five spacious cabins.

The concept of Ipharra came from an owner having chartered over 30 different yachts all around the world over the last 20 years, with a clearly understood brief as to what his dream super yacht would be.

OUR PARTNER GIVES YOU THE OPPORTUNITY TO DEVELOP A CREWED CHARTER BUSINESS THROUGH A TAILORED MANAGEMENT PROGRAM.
