SUNREEF 60 SAILING (2022)

Sunreef 停泊于 西班牙

**评论:** This stunning and recently delivered **Sunreef 60 Sailing yacht** is probably the highest specification model ever produced by **Sunreef** shipyard.
The owners spent many hours working with the shipyard to customise and tailor this **catamaran** to produce a stunning and practical interior for this ocean going yacht.

"**DESSUS**" is MCA Cat 0 for worldwide offshore use.
DESSUS has the galley up in the salon to make for a wonderful and involving experience for the guests which enables 4 sumptuous en-suite cabins below decks and an additional crew cabin.

The yacht provides over 225 m2 of living space which is perfect for family adventures or to be used as a charter yacht.
She features a bimini covered in solar panels which enable the lithium battery bank to be charged and operate the yacht's night-mode system which means that air conditioning, lighting, entertainment systems, etc, can be run without the use of a generator, giving a silent nights' sleep without any noise.

Other highlights :
- Upgrade base engines to 150hp (D3 Volvo)
- Bow thruster
- Upgraded hydraulic platform 700Kg capacity
- Front terrace
- 14x underwater lights LED
- Carbon mast & boom
- Electric furlers
- Northsails 3Di set of sails
- Satellite Communication & TV
- Generator 22Kva
- 2x water-makers
- Upgraded air conditioning 100.000 BTU
- Side of hulls painted in colored gelcoat (dark blue)
