Comments: Boat in very good condition, based on the Atlantic coast ; only skipped by his meticulous owner.

*With its 2 steering wheels, **Nautitech 442 is still the boat for long trip.***

A new look for the 44 footers :

- Larger hull portholes for better light
- Semi flush deck hatches
- Improved French doors access to main saloon
- Major weight saving through the use of foam cored furniture and hull stringers, coupled with resin infusion/foam sandwich laminate in the hull.

Swift and easy to manoeuvre with a limited crew, its autonomy is increased by the water recovery system integrated into the roof: As required, the saline test after the first rainfall can be carried out either manually or automatically.
