Engine	2 / Yanmar /

Built/Refit	2025/-
Builder	VPLP Design & Patrick le Quément

## NEW LAGOON 46 CATAMARAN

LAGOON 46 (2025)

Ref. 1344

Lagoon

Located: France

**Comments: Owner version 3 cabins or Charter version 4 cabins available.**

*Engines : 2 x 45 to 2 x 57 HP,*

*Number of berths : 6 to 12 (with single berths in forepeaks & convertible salon).*

The **Lagoon 46** has an unparalleled interior volume for a 46 feet catamaran.

This new model offers 40 m<sup>2</sup> of living space in the hulls, with major innovation the size of her outstanding forward cabins identical as the aft cabins !

The 46's centred rigging comes directly from VPLP design's research and its more than 30 years' experience at the peak of multihull ocean racing.

Better performance:

- Bringing the mast further aft reduces the length of the boom, increases the mainsail aspect ratio and thus its efficiency.

- The foretriangle incorporates a jib for sailing to windward as well as several downwind sails.

- Centring the masses limits pitching and eases the boat's motion.

Easier:

- The reduced size of the boom facilitates handling.

- The large jib sail is self-tacking, so there is no need to touch anything when taking!
