Comments: Beneteau First Yacht 53 - Owner version
3 double cabins, 3 bathrooms (+ 1 crew cabin/bathroom)

Discover this fast **luxurious cruising sailing boat** combining high performance, classic and modern lines with spacious exterior and interior layouts. The **First Yacht 53** has been designed to ensure safety, comfort, speed and relaxation for all guests and crew members on board when cruising and mooring. Indeed, the exterior with its 5 beam aft and low coachroof firstly gives a racing look and a better aerodynamism; and it provides also easy access to side decks in addition to easy manoeuvring from the two helm stations.

Interior's design done by Lorenzo Argento allow a tailor made configuration with 3 double cabins with 2 (or 3) bathrooms depending on customer's preferences. Bright, well-ventilated with minimalist decor and moulded wood, the accommodation is modern and elegant. **Beneteau** has worked hard to make the exterior as enjoyable as the interior to make your lifestyle on board unforgettable despite the weather conditions.
