Discover a new sophisticated **sailing catamaran** inspired by **Fountaine Pajot** and its previous version of Saona 47, including all its best features in terms of quality, design, performance and comfort. The **Tanna 47** is an upgraded version of Saona 47 with a few improvements : 1400 liters storage space, larger space for solar panels, larger Flybridge almost twice bigger, and a user-friendly saloon with a spacious lounge and an ergonomic watch-keeping station. The extended aft platform - facilitating access to the sea and lifting the dinghy - still remains in this version, as well as natural bright light and the large opening bay door. The **Tanna 47** presents all the characteristics for a charter and a private owner experience, with great sailing performances and a distinctive and elegant design.
