Fountaine Pajot is back in 2021 with a new **51 feet sailing catamaran** ! Always oriented toward sustainability boats with an environmental approach, the French shipyard paid in particular attention to renewable energy, by surface for solar panels near the Flybridge, capable of 2000W and producing 5 times more solar energy than a without compromising the lines and boat's design. The DNA of the **new 51 catamaran** features also its large a Flybridge, a complete opening between cockpit and the saloon, all ensuite bathrooms whatever the layout, and performance at sea and an hydraulic swimming platform. With 4 different layouts on this 15m **multihull**, there i match best your needs for an incredible navigation experience with friends or family !
