**Comments:** If you are looking for a compromise between an **Outremer** and an **ORC** (former "TS"), the **EOS 54** is the ideal **catamaran** for you.

You have a **multihull** that is fast but safe, easy and economical to maintain.

Designed by Christophe Barreau and built in 2016 by the well-known Marsaudon Composites shipyard, this catamaran, in good condition, will bring you a lot of pleasure in navigation.

**Eos Catamaran**, designs, develops and builds with recognized shipyards two "**semi custom**" catamarans of 47 and 54 feet, of a high level of quality of construction, light, fast and spacious. The EOS catamarans are intended for sailors eager to regain the pleasure of navigation and time spent at the helm.

This **EOS 54** is a 1st hand which has a good level of equipment :

57hp engines, 3-blade folding propellers, Solar panels, Water maker, Electric toilets, 2 fridges, Charts plotter, USB sockets, Hifi, Complete sail package (mainsail in hydranet, genoa in hydranet, staysail, storm jib, spinnaker), **Lorima carbon mast**, Offshore safety equipment, Gangway, Tender, ....

Layout : 4 double "guest" cabins, 1 independent double "crew" cabin, 2 single berths (bunk beds) in the passageway ; 3 bathrooms.

Asking price : 599.000 €uros ex VAT, for non-EU resident/company ; or 719.000 €uros VAT included, for EU resident/company.

**Complete listing & additional pictures on request.**
