SUNREEF 60 SAILING (2022)

Sunreef Located: Spain

Ref1546

Comments: This stunning and recently delivered Sunreef 60 Sailing yacht is probably the highest specification model ever produced by Sunreef shipyard.

The owners spent many hours working with the shipyard to customise and tailor this **catamaran** to produce a stunning and practical interior for this ocean going yacht.

"DESSUS" is MCA Cat 0 for worldwide offshore use.

DESSUS has the galley up in the salon to make for a wonderful and involving experience for the guests which enables 4 sumptuous en-suite cabins below decks and an additional crew cabin.

The yacht provides over 225 m2 of living space which is perfect for family adventures or to be used as a charter yacht.

She features a bimini covered in solar panels which enable the lithium battery bank to be charged and operate the yacht's night-mode system which means that air conditioning, lighting, entertainment systems, etc, can be run without the use of a generator, giving a silent nights' sleep without any noise.

Other highlights:

- Upgrade base engines to 150hp (D3 Volvo)
- Bow thruster
- Upgraded hydraulic platform 700Kg capacity
- Front terrace
- 14x underwater lights LED
- Carbon mast & boom
- Electric furlers
- Northsails 3Di set of sails
- Satellite Communication & TV
- Generator 22Kva
- 2x water-makers
- Upgraded air conditioning 100.000 BTU
- Side of hulls painted in colored gelcoat (dark blue)

Complete inventory on request.
