Comentarios: Superb Sessa C54 from 2010 from 16.36m to 4.73m equipped with volvo D11 big mores after a few engine hours, only 397 hours.

Cruise speed of 25 knots and top speed of 33 knots with very low fuel consumption

IPS 900 pod with joystick

Submersible platform, easy access to water and annex.

A huge main cabin with large floor-to-ceiling windows, a double, a cabin with oversized beds and a crew cabin.

A bestial ship with a lot of style and maximum comfort thanks to the large sliding door offering a very neat square. A large cockpit with a convertible sunbathing. Trend, sport a masterpiece of the famous shipyard Sessa.
