Comentarios: Neel 65 trimaran #1

Version 6 cabins, 6 bathrooms ; central galley.

Unique **multihull**, efficient under sail and comfortable at sea, the **Neel 65** is THE **trimaran** for an extraordinary sailing cruise experience. The surface area of the living spaces is comparable to that of a motor yacht of more than 100 feet.

2 salon spaces at the front with very good visibility and central chart table. 2 Master cabins on either side of the nacelle benefit from an exceptional side view. 3 other cabins with double bed as well as a crew cabin complete this version.

Very beautiful flybridge (33sqm!) and cockpit areas. A functional rig with its square-top mainsail, its genoa, its self-tacking staysail and its asymmetrical spinnaker on sock.

Fully equipped with, among other things, generator, air conditioning, water maker, lithium batteries, solar panels, fresh water electric toilets. It will suit a family program or a crewed charter activity.

Owned by a French company. Available and ready to sail immediately.

Refitted in 2019 by the experienced JFA shipyard in Concarneau.

Complete inventory, and additional photos, on request.

WINDWARD ISLANDS provides you with the opportunity to own a **NEEL 65** without the expenses and challenges of traditional ownership.

WE GIVE YOU THE OPPORTUNITY TO DEVELOP A **CREWED CHARTER BUSINESS** THROUGH A TAILORED **MANAGEMENT PROGRAM**.
