Cabine invites	4

Construit/Refit	2015/-
Constructeur	Patrick Balta

Commentaires: Semi custom Power catamaran

Long range and very economical to run

Custom interior and choice of power plant

The number one has logged over 10000 Nmiles in just over one year -Twice across the Atlantic without missing a beat

We can also built a slightly larger boat on the same design - 1 meter longer or a really larger one at 22 M
