S/Y HUTIANE is an innovative catamaran 101 feet long with sober and sleek lines featuring a capacity previously reserved for much larger yachts.

The spacious and comfortable catamaran HUTIANE combines a wonderful sailing sensation with the space and safety of a motor yacht. Elegance, comfort and service quality ensure guests to spend a wonderful time on-board whether you are cruising or on a static charter at quayside.

An important bulwark protects the decks and allows safe movement on this extraordinarily large area. In front of the mast a discreet superstructure houses the huge owner's cabin. Her hulls integrate discreetly bathing beaches, tender and jet skis.

The fly-bridge houses all the control functions, a relaxation area and a bar area - BBQ served by a serving hatch from the galley.

In addition to a Jacuzzi on the main deck and on the same level with the cockpit, HUTIANE boasts a huge panoramic relaxation and dining area, in front of which is the outstanding master cabin. The starboard hull houses the two spacious guest triple cabins.

The port hull is reserved for the galley and crew cabins.
